We have great news!  
$1,000 Grants Available for New Students

Holy Trinity Catholic Schools is pleased to announce that beginning with the 2017-2018 school year, $1,000 grants will be available to incoming students transferring from another school. These are one-time grants, which will be awarded to students for the first year that they attend HTC. A new student discount is already built into HTC’s kindergarten tuition costs so these grants do not apply to them.

There are a limited number of spots available in each grade for next year so acceptance will be based on a first come first served basis.

The New Student Grant is a stackable award that can be used in conjunction with all other forms of tuition assistance including STO Grants, Foundation Grants and scholarships.

For more information contact Shelley Sheerin at 319-372-2486, ext. 7

IOWA LOTTERY WINNING NUMBERS

Great River Regional Waste Authority reminded you to use the 3 R’s!

REDUCE

*Reduce the amount of waste produced in society
**The best way to manage waste is to not produce it. This can be done by shopping carefully and being aware of a few guidelines.
**Buy durable goods & products in bulk
**Avoid over-packaged & disposable goods
**Use cloth napkins/towels instead of paper napkins/towels
**Make 2-sided copies whenever possible
**Maintain central files for multiple individuals
**Use electronic mail/communications or a central bulletin board

REUSE

*Reuse products for the same purpose or for a different purpose
**It makes economic & environmental sense to reuse products. Sometimes it takes a creative mind to do so.
**Sell or Donate old clothes, appliances, toys & furniture
**Use resealable containers rather than plastic wrap
**Reuse grocery bags or bring your own cloth bags to the store

RECYCLE

*Recycle/convert common waste into reusable material
**Recycling is a series of steps that takes a used material and processes, re-manufactures and sells it as a new product. Begin recycling at home and work.
**Recycle all acceptable products at our recycling bins, stations & trailers (see www.grrwa.com for a complete list of locations)
**Check for curbside recycling acceptable items & schedules on your local city websites
**Purchase and use recycled materials for the home & office
**Implement a composting process for your lawn & garden
