DES MOINES - With personal records falling all over the place and medals being thrown around people’s necks, it was a pretty darned good day for Fort Madison at the Iowa State Track and Field meet Friday at Drake University.

Senior Elijah Barnes took 4th in the Class 3A boys shot put with a throw of 53’-7.75”, a new personal best for him, while Brett Schneider was just edged by an arm in the second heat of the 400-meter hurdles at 1:06.22 good enough for 6th place overall...and about a half second ahead of her mom Carrie’s state time in the same event.

"It’s going to be good at home now," Schneider said as she watched the last heat of 53’-7.75". The shot put with a mark of 53'-7.75". The throw ended up being good enough for the 4th-place medal.

Local meeting set with Amtrak official

FORT MADISON - Fort Madison residents supporting a return to full service for the local Amtrak station will meet next Tuesday, May 22nd, with a top Amtrak official and local leaders. The event will take place at the Old Fort Players Theater, 725 Ave G, Fort Madison, Iowa 52627 on Tuesday May 22nd, 2018 at 2PM.

"Having a strong rail connection is important to our local economy," said Jeff Kurtz, the meeting’s organizer and a former official with the Brotherhood of Locomotive Engineers and Trainmen (BLET). "Let’s work together to return to a fully staffed Amtrak office.”

Derrick James, Amtrak Senior Manager of Government Affairs, will attend the Tuesday meeting. James oversees operations for the 13 state Amtrak North Central America Region.

State Senator Rich Taylor, State Representative Jerry Kearsns, and Congressman Dave Loebsack’s office area staffer Jared Hershberger and other local leaders will also attend the meeting.

Kurtz, a candidate for the Iowa Legislature, pointed out that Fort Madison’s rail service is an economic advantage worth fighting for.

“I hope our community can successfully negotiate with Mr. James to restore the status of the Fort Madison depot and reinstate Amtrak Depot Senior Agent Amy Lambert,” said Kurtz.

DES MOINES - Fort Madison senior Leigh Johnson's wearing a medal around the grounds at Drake Stadium with a big smile on her face.

With a 37' throw, which bested her previous best by almost six inches, Johnson said she was happy she was able to win.

She had toyed around with 34 and 35 foot throws during warmups before the finals.

Johnson scratched on the first round, second round, and third rounds.

"I didn't expect to get into the finals," she said.

"I was just overjoyed at that point. For volleyball, I really wanted to get my All-State picture up (in the high school MPR room). I made academic all-state, but now I'm just happy I'm going to get my picture up."

Throwing coach Andrew Troxel said Johnson had the drive to throw the medaling distance the whole season.

"Leigh's had this potential in her from the very beginning of the season," he said. "I think we just set the short-term goals and they fell into place one after another and then she just capitalized on everything, the confidence came, and before you know it, she just relaxed and began to unleash with her throws. I'm just so freaking proud of her."

Head coach Brian Mendez said Johnson texted him at the beginning of the season and wanted to come back out and throw.

"It was a no-brainer," Mendez said. "All the credit goes to Troxel and Leigh. They would go over to the throwing field and work techniques and they worked hard. I know I could speak here on (Boys Head Coach Erin) Benner's behalf but we just can't thank him enough. It's always got to be about fun and he has fun with them and works from the heart."

Johnson got wrapped up in a clough of photos after the awards presentation with family, coach-

Lady Hawks gain experience, ready to return

Young Central Lee squad disqualified for early start on one relay end

BY CHUCK VANDENBERG

FORT MADISON - Central Lee's shuttle hurdle relay team made a quick exit from the Iowa State Track and Field meet in Des Moines on Saturday after disqualifying in the preliminaries of the Class 2A Shuttle Hurdle relay Thursday evening.

The school was summoned by the officials after the event and told them state is a unofficial time of 1:11.82 prior to the DQ.

Off the gun, Eschman clipped a hurdle in stride but didn't flinch as she raced to the north end of the track where Tweedy was waiting to return. No other touches of the hurdle were had as the girls finished with an unofficial time of 1:11.82 prior to the DQ.

Hannum grabbed the girls in a huddle on the north end of the track after the event and told them state is a unofficial time of 1:11.82 prior to the DQ.

Hannum was determined that on one of the relays a Hawk left one relay end disqualified for early start on one of the legs and it was determined that on one of the relays a Hawk left early.

Three of the members of the Lady Hawks team are freshman, Zoe Eschman, Hailey Tweedy, and Abby Wellman. Wendolyn Hannum, the lone senior on the squad, has run at state one other time with Fort Madison before transferring to Central Lee.

"I'm proud of all you," she said. "State is tough." Hannum who was running at her third state meet said the team did well.

"Truthfully looking at our time it wasn't our best, but from my angle I watched the other girls and everybody looked good and I felt good about what I did, so I think we did ok." Eschman said she got a bit of the nerves. "I don't know - I just had some nerves and clipped that hurdle" Eschman said after the event. "But we're just freshmen so we're looking forward to coming back."

Tweedy said she, too, was happy with the trip to Des Moines.

"It's awesome we got to come here. We may not have run the fastest we could have run, but it was just fun getting to experience it. Obviously we're just freshmen so we've got more years to go."

Wellman said she's looking forward to a return trip, "It was really a cool experience," she said. "I'm glad we got to experience it."
was coming up to the hurdle. That’s what I did and it worked.”

She said that was her best time of the year by about a second.

“I just saw an open track. I was in lane 5 and I just said ‘I got a good lane and I should win this race.’”

Schneider had the lead in her heat until just after the last hurdle when Ariicka Lambson of Carlisle pulled ahead two steps from the line at 1:05.99. Lambson took 3rd overall. Katie Nimrod of Decorah won the event running away with a 1:03.14 time, a full 2.6 seconds ahead of the field.

The finals, but Vinton-Shell Mound’s Cole Overton threw a 53'-10.75” on his first round throw to bump Barnes to 4th. Barnes said getting that first good throw helped take the pressure off the rest of the rounds.

“That took a lot of pressure off,” he said. “Obviously things didn’t pan out the way we wanted as I scratched a lot of throws after that, but it took a lot of pressure away and I was able to just unleash.”

Throwing coach Andrew Troxel, whose home state is Wisconsin, promised to put an Iowa Hawkeye shirt on for pictures afterward.

Troxel said helping convert Barnes from a glider thrower to a rotational thrower was the key to this year’s success.

“He went from a glider to a rotational thrower this year,” Troxel said. “His ability to concentrate on those things and research those things is uncanny. It’s amazing working with this guy. He’s more of a thought-partner than anything else.”

Barnes agreed with the assessment.

“My mindset was to come in and try winning. That’s for any competitor, no matter where you’re sitting,” Barnes said. “I went up three spots from 7th to 4th and going in and changing the form and having a second pair of eyes and someone to talk to about ideas and find what best fits me is really what made this year different.”

Barnes will be signing with Indian Hills Track and Field team later this month.

DES MOINES - It was a banner day for seniors on the Fort Madison track and field team as two seniors wrapped up the day with five events and five medals. HTC senior Brett Schneider took 7th in the 800-meter run and FMHS senior Caleb Gehle brought four medals in the wheelchair events.

Schneider posted a 2:19.03 in the half-mile running in the fastest heat in Class 3A. She started in lane 4 on the inside back starting line. Off the gun she got tangled with about five runners looking for wiggle room, but quickly jumped to the outside just after the first turn and slid up into the middle of the pack where she stayed until a final sprint off turn four of the second lap.

"We went out really fast," Schneider said. "I was trying not to get boxed in and I don't think I did so that was nice. Then I just tried to stay with the pack and then sprint at the 200-mark. I caught one, but everyone has such good speed nowadays when you get to the state meet."

Schneider said she saw the boxing happen and jumped out to lane two where she had some room. Her best time in the 800-meter run was her sophomore year, but just didn't quite get there.

"My overall PR was a 2:17 when I was a sophomore and I was trying to get that," she said. "2:19 - I was happy with that. It was almost a 2:18. It's been great running here, but I'm sad that it's over. I wish I would have placed a little higher."

Head Coach Brian Mendez said he's excited to see what Schneider will do at the University of Northern Iowa as a runner on that track and field team.

'She's got room to grow,' he said. "If they want to mess with hurdles she could be competitive with that, but I think she'll run that half-mile and be very competitive - but that's just my opinion.

Schneider placed 6th in the 400-meter hurdles in Friday's competition.

"There's some people here running at UNI next year so I will remember them when I'm up there. I'll probably come back here and run, but it was great high school memories and I loved it," she said.

"She has been a complete treat to coach, and I'm just so happy for her to get two medals on her way out. It's just awesome," Mendez said.

Ellie Friesen of Crestwood had the top time in the 800-meter run at 2:13.63. Schneider was the only runner from Southeast Iowa in the event.

Caleb Gehle, who battles cerebral palsy, took fifth in the wheelchair shot put Saturday morning with a throw of 15'-5.75". That was the distance of his first official throw of the day which got him into the finals. His first throw in the finals came up short at just over 11' when his leg strap came loose, but the throw was official. His second two throws were 15'-1" and 15'-3". Gehle's top throw in 2017 was 14'-5" so he beat that mark by more than a foot.

"The distances weren't what I was looking for, but I did better than last year so I'm happy with that," he said.

He had a busy day with three wheelchair races in the afternoon. He finished 6th in the 100-meter wheelchair dash with a time of 24.39, and 6th in the 200-meter wheelchair run with a time of 54.48. He said he had a little trouble with the some new gripping and sliding at the start of the race on the wet conditions.

"We had some different adhesive on my gloves and that caused me some problems, and the track was really wet so I had some trouble getting going," Gehle said about the 200-meter run.

He also took 6th in the 400-meter race, which he didn't compete in in 2017.
