Community joins hands at senior living center

BY CHUCK VANDENBERG

FORT MADISON - The Kensington went purple Friday afternoon as more than 200 community members held hands in a group hug Friday afternoon at the Kensington to recognize the daily struggle of those with Alzheimer’s.

The Kensington, as part of the Alzheimer’s Association’s Longest Day campaign, handed out purple balloons, donned purple t-shirts and invited the community out to the facility to join in a human chain to try and wrap the Kensington building in a group hug on Avenue H between 22nd and 23rd streets in Fort Madison.

Leia Morrison, who was named the new director of The Kensington in April, said for the first year hosting the event, she was happy with the turnout.

“It’s a reference to the Alzheimer’s Association,” she said. “They have the Longest Day which is typically summer solstice, the longest day of the year. We wanted to do something a little different. They usually ask to raise funds at that time, but we wanted to do something that showed support. This is a multi-generational disease. It affects kids and family members, so it was really just for the community to come out and say we’re here to kind of get the longest embrace.”

More details of Thursday crash released

FORT MADISON - The Lee County Sheriff’s office says driver fatigue may have been to blame in the cause of an accident Thursday afternoon on the Hwy. 61 bypass.

The mishap occurred at approximately 4:46 p.m. when emergency crews were dispatched to mile marker 18 on the bypass, about one mile north of the city’s west on ramp.

The nature of the incident was a car accident where two cars had collided and multiple injuries were reported.

When deputies arrived at the scene, they found a vehicle that had been driven by Kendrick Seville of Keokuk, Iowa, in the northbound lanes of Highway 61 facing north, but torn nearly in two pieces. Seville was with his wife Rutchel Seville and their two minor children. All the occupants of this vehicle were injured. One child was ejected from the vehicle and suffered major injuries.

Lafrenz earns Rotarian “Guardian of Integrity” award

By Sarah Jan Garza
Fort Madison Rotary

FORT MADISON - District 6000 Governor Mike Ruby presented Fort Madison Rotarian Matt Lafrenz with the Paul E. Hellwege Guardian of Integrity Award.

The award is named after the late Past District Governor Paul E. Hellwege of Boone (1954-55) who, at the time of his death in 2010 had been a past district governor for more than half of the 105-year existence of Rotary, whose life exemplified integrity.

It was the eighth year for the awards that were created in 2010 to recognize individuals who have made contributions that foster the development of integrity. The award honors individuals who have made contributions in business, media, academia or government and who have by their actions, writing, policies and public pronouncements strengthened and fostered development of integrity and ethical practices – and who have made sacrifices and/or undertaken risks to uphold Rotary’s Core Value of Integrity.

Award Winner Fort Madison Rotarian Matt Lafrenz is in the insurance business. He is an actively involved citizen of his community, working with various service projects that benefit Fort Madison and the smaller Illinois town of Niota, where his business is located.

Already the chair of the Chamber of Commerce Ambassador Club, Matt jumped into Rotary service as a new member by serving two years as president. His creative thinking provided the notion of a child-focused community project and his leadership skills inspired other community organizations to partner to create what became a free annual event. But it all begins at home, where Matt is a great father to his three young kids.

Lafrenz accepted the award by saying: “Rotary’s motto is Service Above Self and I take that to heart. That’s what I believe in. I couldn’t do half the things I’ve done in Rotary without the help from my board here and every member.”

FM Rotarian Matt Lafrenz is presented the Paul E. Hellwege Guardian of Integrity Award from District 6000 Gov. Mike Ruby and Tim Gobble, current FM Rotary president.

Freshman Thornton shuts out BND 16-0

BY CHUCK VANDENBERG  
PEG EDITOR

WEST POINT - Holy Trinity Catholic’s Cole Thornton threw four innings of shutout base-
ball giving up just one hit as HTC unleashed a 16-0 rout of Burlington Notre Dame Thursday night at South Park.

The freshman kept Nike hitters off balance in the run-shortened affair only fanning one and walking two in just 15 hits in the game.

“Cole did a nice job on the mound and also made some good plays fielding his position,” said head coach Albert Schinstock.

Thornton also helped offensively with a two-out double in the second inning that scoring senior Collin Thornton from second.

Sophomore Reed Fehseke led the Crusaders at the plate going 3-for-3 with two RBI and three runs scored. Fehseke scored the first run of the game in the bottom half of the first on a Kyle Bredemeyer single to right center.

But the real damage came in the bottom of the second when Vason Thur-
am opened the inning with a single to left. Two batters later senior Zander Schweiss reached on an er-
or with Thurman moving to second. A wild pitch put Thurman and Schweiss in scoring position with just one out.

Quentin Schneider grounded to short scor-
ing Thurman to five the Crusaders a 2-0 lead. Then the Crusaders, who have been cursed a good part of the year being scored on with two outs, turned the tables and got back-
to-back singles from Jason Thurman and Fehseke. Thurman’s single plated Schweiss. Fehseke’s hit moved Thurman to second and they both advanced on a wild pitch. Collin Thorn-
ton drove a walk to load the bases and Bredemeyer singled to center to score Fehseke. Thornton scored on his brother’s double before Vason Thurman fanned to end the inning HTC 6-0.

Thornton gave up a walk to the Nike’s Mitchell Brent, one of only five base runners on the night for Notre Dame, to start the third, but then threw just six more pitches getting a fly out, line out, and ground out to end the inning.

The Crusaders then jumped all over Nike freshman Brady Olson, plating the first eight batters of the inning. Notre Dame brought in reliever Lucas Anderson to face the top of the lineup with no outs but the barrage continued highlighted by a two run double from Col-
in Thornton. Schneider had two RBI in at bats in the inning, both singles. “The boys were hitting the ball hard and early. They got on top quick and were able to get in the Nike’s heads,” Schinstock said. “It’s great to see our team starting to get some confidence out there. They are a young, talented team with a very bright future.”

With the Crusaders putting up eight runs, Anderson finally got ground out to deep short to end the game.

The Nikes fall to an even 11-11 on the year, while the Crusaders move to 7-11 on the season and now enjoy a rare three-day break over the weekend before traveling to Van Buren on Monday night.

Area Kansas City Chiefs fans can help local food pantry

Lin Cramer said she hopes to capitalize on the large Chiefs fan base in the area to help open the pantry’s funding.

“Michael Waters, the seasonal ticket sales representative for the Kansas City Chiefs, contacted me about their fundraiser pro-
gram for 2018. I didn’t ask but they may be targeting the Feeding the Hungry initiative and contacting food pantries throughout the country,” Cramer said.

“For each ticket sold, we will receive $10, so I don’t expect it to be a particularly large total amount for the Pantry, but it’ll take little work on our part and gets the Food Pantry’s name, as well as the Chiefs’ name, out there. Whatever is collected will be ap-
preciated and used to good purpose.”

She said the Fort Madison community and supporters have been very helpful in getting the pantry back on better financial footing.

“The community and media have been fabulous in helping the Pantry get back on its feet. I am so grateful for every do-
nation—food and money—that we have received. The generosity of people helping people is amazing. The summer, with chil-
dren out of school, brings on special needs. So we always look at ways to keep our doors open and shelves stocked.”

Gus Macker comes back to Burlington for 3-on-3 tourney

BY PCC STAFF

BURLINGTON - Registration for the only Gus Macker 3-on-3 basketball tournament in Iowa in 2018 is now open. The tournament will be held on August 4 & 5 in downtown Burlington between the Memorial Auditorium and the Port of Burlington. Players of all ages and abilities are encouraged to sign up.

A Gus Macker is a 3-on-3 half court basketball tournament played in communities all over the nation. The tournament is designed for basketball players who love the fun of the driveway game. Whether you are male or female, age 7 to 70, experienced or not, there is a spot for you. Teams will be placed into divisions based upon their age and experience. Junior divisions are broken down into ages 10 & under, 11-12, 13-14, 15-16 and 17-18. Adult divisions (19 & Over) are computer matched according to average age, height and playing experience of all four players. 30 and over divisions are divided into 30-34, 35-39 and 40 and over. The Top Divisions are comprised of the teams with the most experienced level of play. Players compete to win the Macker Trophy - a bronze bust of Macker Man. Teams that lose their first two games compete to win in the consolation bracket dubbed "The Toilet Bowl". To keep the games clean and friendly, registered officials will be on every court calling fouls and violations.

Aside from the games, the entire weekend was designed to have a family fun atmosphere with plenty of entertainment for everyone. Inside the event grounds will be the Family Fun Zone located in Memorial Auditorium. Here children will be able to jump to their hearts content on bounce houses and practice on small basketball hoops for when they are old enough to play in a Gus Macker. For adult spectators, Front Street will be blocked off to house Vendor's Court - the home to a variety of food trucks and local vendors selling goods of all sorts.

ACCIDENT - Continued from Page 1

All of the Sevilles were seat belted and/or in child safety restraint seats.

The second vehicle was driven by George "Tony" Sargent of Keokuk, Iowa. Sargent was traveling north on US Highway 61 with four minor children in his vehicle when the southbound vehicle driven by Seville struck the bridge railing and caused it to go airborne. The child in the side of the vehicle driven by Sargent, causing moderate damage to the driver's side of his vehicle. No injuries were reported from any of the occupants in Sargent's vehicle.

All the Seville family members were treated at the scene by Lee County EMS and Montrose Fire and Rescue. All were transported to the FMCH for injuries and one child was later transported to the University of Iowa Hospitals for injuries suffered from the crash and ejection.

The cause of the accident was determined to be that Mr. Seville had fallen asleep and drove into the median and lost control of his vehicle, a Honda Pilot, resulting in the crash. Seville will be cited for failure to maintain control of his vehicle at a later date.

"It needs noted that Law Enforcement and Emergency Responders were assisted on the scene by many good Samaritans and Mr. Sargent and his passengers. Their assistance at such a traumatic scene is appreciated," Lee County Sheriff Stacy Weber wrote in a release this morning.

The deputies were assisted at the scene by the Iowa State Patrol, Iowa DOT, Montrose Fire and Rescue, Lee County EMS, Fort Madison Police Department, Iowa DNR and LeeComm Dispatchers.

Due to federal privacy guidelines, condition reports on the injured will not be available.

Next year, Morrison wants to give Kensington a hug

PURPLE - Continued from Page 1

noon.
Morrison said it was a wonderful turnout and next year she really wants to wrap the whole building.
"This is the first one we’ve done and we’re hoping next year we can recruit some more people. The idea would be to go around the building and I think that would be a great way to show support," she said. "This year they were able to stretch around the parking lot, but the goal was to go around the building and give the building a hug."

There were also raffles during the gathering and the funds raised will go to the fight against Alzheimer’s.
She said the event was one of the first she’s been a part of with The Kensington, which is a part of the Aegamark Corp and Evergreen Senior Living. She said her first few months have been exciting.
"Aegamark’s a great team. The Kensington is wonderful and the community is really good about being supportive and welcoming me. It’s a great company to work for and the culture and the values align with mine personally, so that makes it a great marriage and a great culture," she said.
According to the American Alzheimer’s Association, Alzheimer’s is a type of dementia that causes problems with memory, thinking and behavior. Symptoms usually develop slowly and get worse over time, becoming severe enough to interfere with daily tasks. Nearly 44 million people worldwide have Alzheimer’s or a related dementia.

A drone view shows the human chain formed in the parking lot at the Kensington on Friday afternoon. Community members decked out in purple showed up with a goal of stretching around the building, but Kensington director Leia Morrison said next year she’d like to make the “hug” happen.
