Krogmeier steps down as LeeComm operations director

**PSAP to start looking for new candidate today as Krogmeier heads to Des Moines county**

**BY CHUCK VANDENBERG**

_PCC EDITOR_

_LEE COUNTY -_ Just eight months into her tenure as the Director of Operations at LeeComm, Shanna Krogmeier has stepped down to take a similar post in Des Moines County.

Krogmeier’s last day was Tuesday and has assigned dispatcher Tony Keele to fill in on a temporary basis until a formal selection process begins.

Lee County Sheriff Stacy Weber is chairman of the Public Service Answering Point (PSAP) board that oversees the LeeComm operations, but was traveling Wednesday and Chief Deputy Will Conlee sat in as his replacement. Conlee said the board will start taking applications to fill the vacant position this week.

The board’s gonna start taking applications for the position on Friday and accept them through August 3,” he said. “They will then review all the applications on Aug. 8.”

He said the board will meet again on July 16 to officially name Keele the Interim Director of Operations until Krogmeier’s successor has been selected and is in place.

Prior to her hiring in November, Krogmeier was the assistant director for the Lee County EMS and was recently named an assistant medical examiner in a three-county service agreement with Henry, Lee and Des Moines counties, based out of Great River Health Systems.

“I am thankful for my time at LeeComm and think we set a good course moving forward, but I was presented with a great opportunity that I could not pass up,” she said. “I wish them the best moving forward.”

Krogmeier’s was one of approximately 40 applications to fill the vacated position this week.

OBITUARIES

CATHY MARIE JACKSON BUCK

Cathy Marie Jackson Buck, age 59, of Macomb, IL and formerly of Ft. Madison, IA, died Wednesday, July 11, 2018, at 1:44 am in McDonough County Hospital in Macomb.

Cathy was born October 10, 1958 in Saint Louis, Missouri, the daughter of Harry and Loretta Sykes Jackson. Cathy was a graduate of Peoria Heights High School. She worked with special needs children in Peoria and as a teacher’s aide for Ft. Madison public schools until she became disabled. Cathy was an avid fan of Iowa Hawkeye football and Saint Louis Cardinals baseball. She was a member of Madison Baptist Church in Ft. Madison, and she loved to study her Bible every day. However, the most important thing in her life was her grandson, Connor.

Survivors include: her son, Jamie (Andrea) Jackson of Quincy, IL; her grandson, Connor; her mother, Loretta Tillman of Jackson, TN; her brother, Harry (Kathy) Jackson of Findlay, IL; two sisters, Kim (Jerry) Plohocky of Alpena, MI; and Julia Oliver of Burlington, IA; and several nieces and nephews.

Cathy was preceded in death by her father and her stepfather, Arthur Tillman.

Graveside Services: Saturday, July 14, 2018 at 1:00 P.M. in Greenmount Cemetery with Pastor Ken Barlow officiating.

Memorials: St Jude’s Children’s Research Hospital

**Flooding to reroute RAGBRAI bicyclists**

Des Moines River over its banks in central Iowa

**BY PCC STAFF**

MADRID - Recent high rainfall totals throughout central and northwest Iowa have led to flooding of the Des Moines River and high lake levels at Saylorville Reservoir. This flooding is having a significant impact on the lower areas of Ledges State Park, which is slated to host the Register's Annual Great Bicycle Ride Across Iowa (RAGBRAI) on Tuesday, July 24th.

The situation has forced park staff, local public safety officials, and RAGBRAI organizers to re-route the popular bike ride to avoid the park and these flooded areas.

The lowest areas along the route are currently under as much as 20 feet of water and levels are not expected to subside by the time the ride comes through.

With approval from the Department of Transportation, riders will now leave Boone eastbound on US Highway 30 and ride approximately one mile, turning south on Quill Avenue (R27), where after traveling three miles will meet up with the original route. The new route will decrease the day’s distance by three miles.

"It's unfortunate cyclists will not get the opportunity to see the scenic beauty that Ledges has to offer," said Park Manager Andy Bartlett. "Riders will still get a chance to experience the state park atmosphere, though, when they pass through Wildcat Den State Park later in the week. Ledges is definitely a gem within our state parks system and I would encourage those interested in exploring what it has to offer to plan a visit in the future."

**Warm temps make fishing tricky in area waters**

BY PCC STAFF

**DES MOINES** - The following is the weekly fishing report from the Iowa Department of Natural Resources for the week ending July 18th. It would appear early morning or deep fishing is still producing results in the heat, or find a shady spot.

**Big Hollow Lake**

Not a lot of angler activity because of the weather. Black Crappie - Slow: Find crappies in 6-7 feet in the flooded trees. Bluegill - Slow: Look for shadier bays on the south side with flooded trees and 6-8 feet of water.

**Iowa River (Columbus Junction to Mississippi River)**

The Iowa River is finally starting to drop; boating still not recommended.

**Lake Belva Deer**

Hot weather has cut down the number of anglers out on the lake. Largemouth Bass - Fair: Bass fishing has slowed some, but you can still find them working the surface early in the morning. Bluegill - Fair: Work the flooded trees in deeper water, especially over in the area near the beach. Black Crappie - Fair: Drift fishing or slow trolling the area in front of the beach and towards the North boat ramp out in 10 to 15 feet of water is producing some nice crappies.

**Lake Darling**

Water temperature are in the low to mid 80's. Water clarity isn't bad at two feet with some green color to the water. Largemouth Bass - Fair: Work the brush piles in shallow water in early morning before the bass move out in to deeper water for the day. Bluegill - Fair: Most bluegill have moved out to 5 to 8 feet of water. Channel Catfish - Good: Catfish are wrapping up the spawning activities, but you should still be able to find them in the rocks. Black Crappie - Fair: Drift fishing for crappies out in the middle of the lake is producing some fish.

**Lost Grove Lake**

Black Crappie - Slow: Crappie fishing has slowed with the hot weather; move to deeper water where the crappies are trying to escape the heat. Bluegill - Fair: Early morning and late evening are best. Largemouth Bass - Fair: Anglers are catching some decent bass on topwater baits early in the morning.

**Skunk River (Rose Hill to Coppel)**

The water level on the Skunk is just a little below bank full. For more information on the above lakes and rivers, call the Lake Darling Fisheries Office at 319-694-2430.

**Mississippi River Pool 19**

Tailwater stage is 10.13 feet at Lock and Dam 18 above Burlington and is falling. Flood stage is 10 feet. River level is 15.17 feet at Burlington and is falling. Flood stage is 15 feet. River level at Fort Madison is 527.93 feet and flood stage is 528 feet. Fishing has been slow with the high and muddy water conditions.

**River stages are still high and some boat ramps are still closed due to the high water. River stages have been falling. Fishing has been slow with the high and muddy water conditions. Main channel water temperature is around 82 degrees. Most fishing reports are coming from inland lakes and farm ponds. If you have questions on fishing Pools 16-19, contact the Fairport Fish Hatchery at 563-263-5062.**
